30 AUGUST to 2 SEPTEMBER 2022 • SHEFFIELD, UK

14th International Conference on Osteogenesis Imperfecta

Abstract Submission Guidelines: Last minute abstracts

Important dates:

Monday 13 June 2022, 23:59 CET: Abstract submission deadline

Wednesday 22 June 2022: Notification of review outcome

Monday 27 June 2022, 23:59 CET: Presenting author registration deadline (presenting authors must register by this date)

LAST MINUTE ABSTRACTS

For 2022 the usual criteria for late-breaking abstracts are waived and we encourage abstracts and clinical cases on any topics relevant to the meeting. Oral and poster slots are available. Previously presented or published work may be submitted as long as it hasn't been published as a full manuscript.

INSTRUCTIONS - CONTENT

- The abstract title should clearly define the content of the paper.
- Do not use abbreviations in the title of your abstract.
- The space allowed for the main body of the abstract is 350 words.
- Abstracts must be submitted and presented in English.
- If your studies have been supported by a grant, please indicate the source of funding at the end of your abstract.
- Proprietary names of drugs are not allowed - the generic names must be used.
- Number references (if any) in the order in which they appear in the abstract.
- If there are multiple abstract submissions by the same authors, please maintain consistency in the authors' names in order to avoid incorrect duplication in the author index.
- Do not split data to create several abstracts from one data set.
- Abstracts will be published exactly as submitted so please take care and proof read your abstract before submitting it.
- Work which has been previously presented may be submitted for presentation at the meeting provided it has not been published as a full manuscript.

PLEASE STRUCTURE YOUR ABSTRACT AS FOLLOWS:

Research abstracts:

- Objectives
- Methods
- Results
- Conclusion

Clinical cases:

- Background
- Presenting problem
- Clinical management
- Discussion

CONFLICT OF INTEREST

- Presenters must disclose any possible conflicts of interest by following the instructions on the abstract form.
- Conflict of interest statements will be published with the abstracts.

ETHICS

Submission of an abstract that deals with experimentation on humans or animals implies that the authors adhere to any applicable guidelines dealing with human or animal experimentation and that the appropriate approval has been granted from the institution's review committees.

COMMITMENT

1. Submission of abstract constitutes a commitment on behalf of the authors that the abstract will be presented as accepted.
2. Expenses associated with the preparation, submission and presentation of an abstract are the responsibility of the author(s).
3. **On acceptance of the abstract, the presenting author must register before 27 June 2022. Failure to do so may result in their abstract being removed from the programme.**

AMENDING A SUBMISSION

You may wish to change your submission. You can do this at any time up to the deadline by logging onto the abstract submission system.

WHAT HAPPENS AFTER I SUBMIT MY ABSTRACT?

You will receive an email to confirm that your abstract has been received. After the abstract deadline (25 April 2022) all abstracts will be reviewed blind by a panel of experts. Mean scores will be calculated for each abstract and based on this they will be allocated to oral or poster sessions, or they may be rejected.

You will be informed about the acceptance or otherwise of your abstract, and the form of presentation, on 20 May 2022.

HOW IS MY ABSTRACT SCORED?

Your abstract will be scored based on the following criteria:

- Scientific merit
- Originality
- Methodology
- Conclusions supported by appropriate data

Research abstracts with no data are unlikely to be accepted.

Clinical cases will be judged according to the level of interest, and the quality of the description of the case, analysis and discussion.

CAN I WITHDRAW MY ABSTRACT AFTER SUBMISSION?

If you need to withdraw your abstract please contact us at the address below.
